

A vibrant Catholic community where all are welcomed, challenged and supported in their life journeys.

## **Be Sure to Complete the Feasibility Study Questionnaire!**

As we hope you already know, we are conducting a Financial Feasibility Study to determine the “next steps” to address our facility needs.

### **EVERYONE IS URGED TO PARTICIPATE**

Everyone in the parish is invited to participate in the Study and urged to do so. Some people have already been asked to participate in a one-on-one interview or Focus Groups. (Those that were asked to participate in these ways came from a predetermined cross-section of the parish.)

### **ONE QUESTIONNAIRE PER HOUSEHOLD**

Everyone else is asked to go online and complete the Study questionnaire. Please complete one questionnaire per “household”. It is very important that we “hear” from everyone in the parish, so please take the time to do this.

### **CONFIDENTIAL QUESTIONNAIRE LINK IS AVAILABLE AT [WWW.STCATHOFSIENA.ORG](http://WWW.STCATHOFSIENA.ORG)**

To find the questionnaire online please go to our parish website and click on the link to the Feasibility Study. It should only take you about ten minutes to read the Case Statement and respond to the questions that follow it. All responses entered are captured by the consulting firm conducting our Feasibility Study. Your response becomes a part of the entire study; however, your name is never associated with any response you make.

### **CONFIDENTIALITY IS GUARANTEED!**

All information submitted will be seen only by the consulting firm. None of the information seen by anyone at the parish is associated with any names of those responding. In the final report, the consulting firm will summarize information received.

**THANK YOU FOR PARTICIPATING!**
