

A Reminder About:
Parish Facilities Forum -- Sunday, May 1
from 1:00-2:30pm in parish center

St. Catherine's future is in your loving hands. Recently over 100 parishioners suggested 40 possible programs to move St. Catherine's forward. Now it's time to prioritize them. I invite you to attend and participate.

This 90-minute session will substantially influence StC's future!

This is your parish, be a part of its future.
