MY NAME IS \_\_\_\_\_ AND I'M A  
MEMBER OF ST. CATHERINE'S PASTORAL COUNCIL.

(HOLD UP ONE-PAGE BULLETIN INSERT)

In today's parish bulletin, you will find an insert that provides very important information on the future of St. Catherine's. Please be sure to read the insert and to go to St. Catherine's website for additional related material. Our parish website is listed in the bulletin insert.

All that I shall say now is that the insert will summarize the action taken by St. Catherine's pastoral and finance councils following feedback received from you at a recent parish forum and via e-mail. You were asked to prioritize parish ministries that you felt passionate about and would be willing to support over the next 25 years.

We promised to keep you informed and this is a continuing effort to do just that, as we strive to build Christ's Kingdom here on earth.

So please do read that bulletin insert and know that additional information will be coming in the fall.

Thank you
